## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Lamar Elementary School staff started the year with much excitement. Although Lamar Elementary School did not meet Adequate Yearly Progress for the 2006-2007 school year, we made improvements through hard work, dedication, and Title I assistance.

The Lightspan program, which puts PlayStations and standard- based disks in the homes, continued. The Student Success Team continued to assist children. Two interventionists provided intensive help to small groups of children who scored below benchmark. All kindergarten, first, and second grade students received supplemental help through the Reading Mastery program.

Lamar Elementary continued to be a part of the PBIS reading and behavior program. All students were assessed using the DIBELS Reading Assessment three times during the school year. New teachers were trained in the Dominie Reading Assessment program. Teachers were also trained in the Reading Mastery program. All students received small group reading instruction through the Rigby Reading series and with Title One assistance.

Mrs. Crystal Kirby was named our Teacher of the Year. Of our 24 teachers, 21 have advanced degrees. Nine hold a Master's Degree plus thirty, 10 hold a master's degree and 2 hold doctorates. Three teachers are Nationally Board Certified.

The Lamar Elementary PTA continued to support by helping fund a Family Fun Day, Teacher Appreciation Week, and addressed various other needs of the school. The PTA helped to furnish and maintain a school store to promote positive behaviors. The School Improvement Council was active and helped shape the school climate to strengthen the instructional program. The five year plan for improvement was written with assistance from the School Improvement Council.

We will continue to strive for excellence and educate all our children to the best of our abilities.
